- Our Engagement Policy will place significant emphasis on the development and recognition of positive behaviours.
- Student individual academic reports will include details regarding student behavioural achievement.
- Peer mediation and peer counselling will be key strategies employed to guide and develop student behaviour.
- Whole school rules will be negotiated with the Student Representative Council.
- We will provide a wide range of positive extra-curricula activities for students including sporting, theatrical, leadership, community service and appropriate leisure pursuits.
- Positive student behavioural achievement will appropriately recognised.
- An up-to-date database of student behaviour will be maintained.
- All staff will undertake professional development on student engagement, behaviour and discipline management.
- The school curriculum will include units on resilience, peer pressure, positive choices, bullying, conflict resolution and leadership.
- Students experiencing difficulty achieving positive behavioural outcomes will undertake individualised behaviour management programs focussing upon agreed goals.
- Consequences for ongoing inappropriate behaviour will involve a graded series of sanctions including counselling, withdrawal, loss of privileges or suspension.
- Parents will be kept informed, and actively encouraged to assist in the development of their children's behavioural performance.
